The playground

One afternoon, at my favourite playground

There are kids and dogs running _ _ _ _ _

Climbing and having lots of fun

Enjoying a slide in the nice warm _ _ _

I can't wait to have a really long swing

I smile and it makes me want to _ _ _ _

My friend is there going really fast

Waving to me as she goes swinging _ _ _ _

Then for no reason she decides to jump

Off the swing and lands with a _ _ _ _ _

She's lying quite still and I look, horrified
I squeal out loud and race to her _ _ _ _

I say what the heck, did you even think
Your legs looking sore and really quite _ _ _ _

I thought I could do it, jump from up there
But clearly I can't. I've had quite a _ _ _ _

I'm lucky because my leg feels okay
So flying's for birds now, that's what I _ _ _

You need to ask yourself ...

WHAT COULD POSSIBLY GO WRONG?
